Dear Sir,

We are writing in relation to the Notice of Non-Compliant Amendment mailed on September 23, 2005, indicating the Amendment and Response to Restriction Requirement filed on July 13, 2005 is considered non-compliant because claims 1 and 5 were amended without markings.

In response to the Restriction Requirement mailed June 14, 2005, Applicants filed a Response presenting a complete listing of all of the claims. Each claim has been provided with the proper status identifier. Since Applicants elected Group I, claims 1-9, all of the elected claims were marked "original" so that the individual status of each claim can be identified. Attached herewith please find a copy of the Amendment and Response to Restriction Requirement filed on July 13, 2005.

Accordingly, it is believed that no correction is required for the above-identified application. Should you have any questions, please feel free to contact me.
